

Highland Children and Young People's Forum July 2021 Bulletin And AGM invitation

Forum News

This could be the last "Highland Children and Young People's Forum" bulletin. At our AGM on 8th July members will vote on a proposal to change our name to "Inspiring Young Voices".

This comes as a result of the rebranding process we have undergone. We will be launching a new website and new social media pages too.

This is a really important time of transition for the charity moving forward for the next few years. If you would like to join us at this exciting time, please sign up to be a member and support the work of "Inspiring Young Voices" (if voted on 8th) as it contributes to making Article 12 of the UN Convention on the Rights of the Child real: ensuring children and young people have opportunities to express themselves and that their voices are heard and taken into account in decisions that affect them.
