

Hello,

My name is Lewis Colin Miller, I am 4.
I live in Fortrose with my Mummy, daddy and
Lyla.

There is a big germ called CoronaVirus in
the big wide world.

You can not go to other peoples houses or play
with there toys. It is a very dangerous germ
and if you touch people they will get Sick, Sick, Sick.
The Corona Virus makes me sad because i miss
my nana and it is very Naughty for not letting
me see my friends.

When the germ has gone away I want to go
to Franky and Lolas and go on a train to
Nana Skyes and Glasgow.
